Historic Designation (Check all that apply and please send one copy of the nomination form):

- National Historic Landmark National Register New York State Register
- Local Designation National Register Eligible (as determined by NYSOPRHP – include official letter)
- Other (please explain)

1. Briefly state the property’s historic and/or architectural significance.
****Please note how the nomination relates to one of the four program nomination themes spelled out in the guidelines, if relevant.*

2. Explain the importance of the property to the community (use, cultural significance, location).

3. How is this property threatened? (e.g., abandonment, inappropriate development, demolition, loss of visual and architectural integrity)

4. How would you define a “save?” *Please be specific.*

5. a. Who are the stakeholders and community members who are willing to help in the property’s preservation?

5. b. What local or regional preservation organization(s) have you contacted or are working with? Please identify groups and individuals and what roles they are playing.

c. Please identify any New York State Office of Parks, Recreation and Historic Preservation staff you have contacted about the threat. What has been the response?

6. Please identify any organizations, municipal offices or business interests **opposed** to the property's preservation.

7. What role have you and/or has your group played thus far in addressing the threat?
Please be specific, including any descriptions and dates of key actions, meetings, etc.

8. List the actions you think the League could take to help alleviate the threat.
Please be specific.

Please include any letters of support for this nomination from organizations, agencies or individuals working with you to save this property.
