PRESERVATION LEAGUE OF NEW YORK STATE
SEEKS ENTRIES FOR 2019 PRESERVATION AWARDS

*Awards to honor projects, organizations, individuals and publications
that exemplify excellence in historic preservation*

The Preservation League of New York State is seeking nominations for its **2019 Excellence in Historic Preservation Awards**, which recognize significant achievements in historic preservation throughout New York State. The nominations must be submitted online by **February 14, 2019** (*early submissions appreciated*). The awards will be presented on May 9, 2019.

“Preservation and reuse of our historic buildings is fundamental to the economic revitalization of our cities, towns, and villages,” said Jay DiLorenzo, president of the Preservation League. “The restoration of our historic neighborhoods, Main Streets, and underutilized buildings continues to create jobs, provide housing, promote tourism, stimulate private investment, and conserve energy, resources, and open space. Our annual awards program allows us to highlight projects that offer examples of best practices in historic preservation.”
